Dear Ms. Swanson:

RE: Douglas County
Miltona Township
Jerome Haggemiller
Donny Henning
Denny Odden (deceased)
CLRSD

We are looking into some improprieties and a most likely conflict of interest between some of our Miltona Township Board members and their connections with Central Lakes Region Sewer District. It has come to my attention that a letter originating from your office 3 years ago was sent to one of our township officials probably, Denny Odden. The general contents of the letter purportedly state that "yes there is a conflict of interest on the Miltona Township Board" perhaps relating to CLRSD. Denny passed away and his papers/documents, I'm afraid went with him.

Could we receive a copy of that letter and any other correspondence your office has between our Miltona Township board, relative to "conflict of interest" clarification. We believe because this is relative to township business, that this request falls under the freedom of information act. If we are incorrect in that assumption, please point us in the direction we need to go to get to the bottom of this.

Thank you.
